## Make A Donation to the President General at Convention

### SPECIAL Opportunity at 2023 Convention

Attend the "Belles, Bonnets, and Bingo" Luncheon at the 2023 Convention in Bakersfield and **give the President General a donation to the Anchor Fund** (*formally the Memorial Building Giving Program*). Donations will aid the UDC with Memorial Building operational expenses.

This a surprise for the President General.

An announcement will be made during the luncheon that it is time for a "special" presentation for the President General. Chapter Presidents or representatives that wish to participate will be asked to step forward to the microphone and announce their name and chapter as they hand Mrs. Widowski a Chapter donation. If Chapters wish to announce the amount of the donation, it may be done so at this time.

**NOTE:** Chapter Presidents or representatives please **bring a completed Anchor Fund Donation Form found on the next page and a NON-DATED check MADE PAYABLE TO: Treasurer General UDC in a sealed envelope to the Luncheon** with the words "Anchor Fund Donation from CA Division" written on the outside. You may include a personal note, if you wish.

**Start planning NOW for a Chapter donation.** Personal donations to the Anchor Fund should be made to your Chapter *using the Anchor Fund Donation Form on the next page.*

Thank you in advance for your consideration of raising much needed funds for the UDC Memorial Building. **And, let's show the President General that the "West Coast Daughters" care deeply about at the Success of the UDC!**
